Petition for Waiver or Substitution of Ensemble Requirement
For Scholarship Students

All undergraduate and MM students receiving merit-based scholarships including PAT and Composition students must elect a large ensemble (see list on pg. 2) as partial fulfillment of their scholarship agreement with SMTD. Occasionally, important educational opportunities create reason to seek substitution or waiver of this requirement. If you wish to submit such a petition: 1. Complete this form. 2. Obtain faculty advisor signature. 3. Place the form in Professor Blackstone’s mailbox.

Petitions must be received by the last day of classes in the preceding term and are valid for one term only.
