STUDENT TEACHER PERSONAL STATEMENT

Briefly describe a significant learning experience on your path to becoming a teacher. Address how this experience has impacted what you believe about teaching and learning and how it has influenced the type of teacher you hope to become. (Ideas to think about: What is important about the experience you describe? What insight(s) has it provided you? What puzzles, troubles, intrigues you about the experience? How does the experience relate to what you have learned about teaching in the UM professional sequence thus far?)
