Check-In: The Check-In Table at the Earl V. Moore School of Music, Theatre & Dance Building will be open from 8:00 a.m. to 3:00 p.m. on audition days; complementary food and beverages will be available throughout the morning. When you arrive, come to the main lobby to pick up an information packet and verify your audition schedule. Occasionally last-minute changes are made to the schedule so please pick up your packet at least one hour before your first appointment. In addition, please go to your audition room location at least 15 minutes before your audition.

Information Sessions: We encourage you or a family member to attend one of two identical morning and afternoon information sessions offered on each audition day. Topics will include decision notification, scholarships, financial aid and housing. Signs listing the times and locations for these sessions will be posted at the Check-In Table. The sessions are voluntary and informal and usually last 45 to 90 minutes. Parents and students should feel free to arrive late or leave early if necessary.

Practice Facilities: Some classrooms will be reserved for auditioning students on a shared basis, and our regular practice rooms on the lower level of the Moore Building will be available on a first-come, first-served basis beginning at 7:30 a.m. There are approximately 140 practice rooms, most containing a piano and music stand. Piano applicants will receive a numeric code at check-in which will allow them access to a grand piano practice room. Harp and Jazz Percussion auditionees should request access to special practice rooms at check-in.

Stearns Building: Some auditions and interviews may be scheduled at the Stearns Building, which is about a five-minute walk up the hill from the Moore Building. Auditionees should check in at the Moore Building lobby before proceeding to their Stearns Building appointments.

Ensemble Rehearsals: Rehearsals are open to visiting applicants and their guests. The ensembles listed below usually meet on audition days (Fridays; Thursday where listed) at the following times:
