ATTENDANCE POLICY

Commitment to the Michigan Youth Ensembles program is for two semesters (academic year) and attendance at all rehearsals and performances is mandatory. The only exception to this requirement is a conflict with a school music organization. In this case, the member is expected to support his/her school program and is required to submit a completed absence form to the ensemble manager no later than the rehearsal prior to the absence. School music conflicts (with advance notice to the ensemble manager) and illness are considered excused absences. MANDATORY - ALL Michigan Youth Ensembles members cannot be absent from the final dress rehearsal before each concert.

Calling the Michigan Youth Ensembles Office will not constitute an excused absence, except in an emergency situation. Ensemble managers, in consultation with the conductor, will handle all absence situations as they arise. Expulsion can be considered after one unexcused absence.

I have read the MYE Attendance Policy above and will commit to the 2010-2011 rehearsal/performance schedules: ____________________________

I have read the MYE Attendance Policy above and will insure that my child fulfills his/her commitment: ____________________________
