INDEPENDENT STUDY PROPOSAL - Undergraduates

This form must be accompanied by a one-page typed memo detailing the proposed activity and justifying the number of credit hours requested. Forty-two hours of work equals one credit when computing the number of credit hours elected. After your Year Advisor and instructor have reviewed and signed-off the proposal, it must be presented to the Chair for approval. The completed and approved Independent Study Form serves as an override request and must be submitted to the Department Administrator. A new proposal is required for each independent study course election.
