

# Honor Roll of Donors

July 1, 2008 – June 30, 2009

The University of Michigan School of Music, Theatre & Dance is entirely grateful for everyone who made a gift to support the educational initiatives of this tremendous performing arts school during the 2009 fiscal year. Your commitments have provided the scholarships, performance opportunities, improvements to facilities, and educational experiences that make this School truly great. Dean Christopher Kendall, the faculty, staff and students, all join me in thanking you for your generosity and dedication to the SMTD.

With great appreciation,

Maureen Schafer  
Director of Development & External Relations

---

It is such an honor to have been chosen to represent two people who not only embodied the spirit of music but also chose to help others pursue their dreams.

I remember when I first read Sarah's admissions statement how struck I was by its similarity to my own goals and objectives. I've always kept her passionate rhetoric in the back of my mind as a touchstone for why I want to spend my four years here at the School of Music, Theatre & Dance in the directing program.

It means a lot to me to be able to study

Without this scholarship, I would not have been able to attend the University of Michigan School of Music, Theatre & Dance. I have two older brothers in college and on top of this financial burden, my father was laid off from his job and was jobless for a few months. When I saw the email that I had received the Benning Dexter Scholarship, I was ecstatic.
