

## MFA INDEPENDENT STUDY PROPOSAL

This form **must** be accompanied by a **1,000 word proposal** detailing the **proposed project** and **justifying the number of credit hours** requested. Forty-two hours of work equals one credit when computing the number of credit hours elected. After your Instructor has reviewed and signed-off the proposal, it must be presented to your Year Advisor for approval. The completed and approved MFA Independent Study Form serves as an override request and must be submitted to the Department Administrator. Separate and project-specific proposals are required for each Independent Study course election.
