**NOTE:** All BFA Theatre Performance majors must audition for all mainstage University Production plays and are required to accept any role in which they are cast. Failure to comply with this program requirement may result in dismissal from the program. First semester freshman may not audition for Fall semester productions, but are required to audition for Winter semester productions.

All students in the Acting concentration must participate in a 2nd year evaluation. This evaluation is mandatory, and normally takes place in the Winter term of the sophomore year. This evaluation serves as an effective means of assessing the student's potential to graduate, as well as to enter the job market or graduate school.

A grade lower than a "C-" in any Performance course is NOT acceptable and will not fulfill degree requirements.
This term layout is provided as a guideline only. The sequence of elections and credits may vary based on individual circumstances. For more specific information, see an Advisor.
