NOTE: All BFA Theatre Performance majors must audition for all mainstage University Production plays and are required to accept any role in which they are cast. Failure to comply with this program requirement may result in dismissal from the program. First semester freshman may not audition for Fall semester productions, but are required to audition for Winter semester productions.

All students in the Acting concentration must participate in a 2nd year evaluation. This evaluation is mandatory, and normally takes place in the Winter term of the sophomore year. This evaluation serves as an effective means of assessing the student's potential to graduate, as well as to enter the job market or graduate school.

A grade lower than a "C-" in any Performance course is NOT acceptable and will not fulfill degree requirements.

¹Theatre 387 and 388, "Studio I and Studio II" are credits students receive when cast in a mainstage production, a Senior Directing Thesis, or a Studio production directed by a faculty member or guest artist. Students receive 2 credits per production. A minimum of 4 credits is required to graduate. Applications are in hardcopy in the Theatre Office or on the T&D Google drive within the "Performance Student Forms" folder. When cast, students may apply the credits to the term the production is presented, provided it's before the drop add deadline, or if at maximum credit load during the term of production, for the following term. Please submit the form to the Theatre Office.

Upon completion of your required Studio credits students may elect to take additional credits for Uprod Studio or Director Thesis productions under Theatre 487 and 488.
